(attach high school transcript)

Objective - Degree or Major you are planning to seek _____

Anticipated College/University Choice - _____

Honors & Awards - _____

Clubs & Activities - _____

Community Involvement - (total # of hours _____) _____

Leadership - _____

Financial hardship/special circumstance - (if any) _____

Essay –

Hollie had an infectious smile, a kind-hearted spirit and a passion for dancing like no other. Evident in her leadership and community involvement throughout her life, Hollie's passion for helping others became the true legacy she left behind.

In an essay of no more than 500 words, describe a community service activity that has meant the most to you. Make sure to include in what way you participated in the service activity and how this service activity helping others influenced or affected you.

I certify that the above questions have been answered truthfully. I understand that if any information is determined to be falsely provided, this could result with rejection of the application from review and/or a refund request of the scholarship, if awarded.
